Mission Statement

The Georgia Sports Hall of Fame seeks to collect, preserve, and interpret the history of sports in Georgia. We honor those who by their outstanding achievement or service have made lasting contributions to the cause of sports in Georgia. Further, the Georgia Sports Hall of Fame seeks to educate the youth of our state, emphasizing the high ideals and traditions of sport including leadership, sportsmanship, and physical fitness.
The Georgia Sports Hall of Fame makes a difference in the lives of our youth and honors the struggle, perseverance, and achievement of our state’s best teams, athletes, and coaches. Join me in honoring the spirit of past generations while encouraging and supporting today’s competitors. By making a gift to the Georgia Sports Hall of Fame Foundation you will:

- Inspire Georgia’s youth to become leaders on and off the field through the GSHF Foundation’s character development initiatives.
- Provide improvements to our nation’s largest state sports museum with over 14,000 square feet of engaging, interactive exhibits.
